

## Sample Prayers from ENVIRONMENTS

### ANDYLAND

*Pappa I forgive the part of my soul that entered into covenant with the alternate reality of Andyland when I was a child. I forgive it of using my mind as its source of escape from pain or boredom, and of using it to bring pleasure to my being. I wash it with the Blood of Jesus and it is now purified and redeemed, and I am restored back to You. With these parts integrated, I hurl down the accuser. I no longer want to live in a world of fantasy or sow my eternal seeds into a lifeless deception, I want to live in reality with You as my source of everything. I want to see real fruit that is eternal! I repent of leading others into a false reality. I receive the Blood of Jesus, and the covenant of Andyland is dissolved. As I have been forgiven, equally I forgive those that wounded me in childhood, any person that guided me into Andyland, our forefathers, all those we have been in covenant with, and every person who has wounded us. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. Amen.*

### THE MAINFRAME

*Father, I forgive the part of my soul that entered into covenant with The Mainframe environment to provide value for my being through my advanced mental abilities. I wash it with the Blood of Jesus and it is now purified and redeemed, and I am restored back to You. With these parts integrated, I hurl down the accuser. I no longer wish to depend upon reason, logic, and rationality to make decisions. I repent of using my analytical skills as my source in The Mainframe. I want to make choices after inquiring of You and learning Your will. I receive the Blood of Jesus and the covenant of The Mainframe is undone. As I have been forgiven, I also forgive my parents for not fully bonding with me, and every person who taught me to rely on myself instead of You and to trust my brain over my spirit. I wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. I hurl down the accuser. Amen.*

### THE SOUL COMA

*Daddy, I forgive the part of my soul that entered into covenant with an environment of false sleep. I forgive it for trusting in anything but You. I wash it with the Blood of Jesus and it is now purified and redeemed, and I am restored back to You. With these parts integrated, I hurl down the accuser. I repent of trusting in a false healing by going to sleep in a Soul Coma. I do not want to be in a place where I am the source of healing in my life, nor do I want to submit myself to the manipulation of demons while I am dormant. I receive the Blood of Jesus and the covenant of The Soul Coma is dissolved. I choose to forgive those that wounded me and caused the pain in the first place. I wash us all with the Blood of Jesus and we are all now purified, redeemed, and restored back to You. The accuser is hurled down. Amen.*
