

## Sample Prayers from MATURITY

### MONUMENTAL MOMENT

*Father, we need You and we want You. We ask You to become our source of all things in every moment of our lives. We let go of the burdens and worry that comes from being our own source. We recognize and acknowledge that without You, we can do nothing. We ask You to be our anointing, to be our words. We lay down our plans. We choose to trust You with our lives: with our food, our shelter, our protection, our advancement, even our very lives and the lives of our loved ones. You have all of us. Our lives are at Your feet. Amen.*

### CROSS REFERENCING

*Father, we want to receive the deepest revelation of Your heart. We choose to enter Your presence and to stay there. We believe that when we commune with You, that we will step into what eye has not seen, nor ear heard, nor mind conceived. We ask that You open the scriptures up for us that they would testify to Jesus as He said they do. We trust You fully. Amen.*

### MATURE CESSING

*Heavenly Father, we ask You to reveal to us the field of harvest that You have assigned us to. We ask You to show us the places where we will pray and see fruit every time! We ask You to show us the covenant that You have established with each person, place, and thing in our field of harvest. For Your will done, we speak life into these covenants that we and those in our field will reach maturity in You, that we can be responsible with the resources you've assigned us. Amen.*

### SEPARATING GOOD FROM EVIL

*Father, we ask You to shine Your Light in our lives and to reveal any trace of old wine in our new wineskins, or any place where we have not let go of our old wineskins. We rest and trust that You will fully transition us in daily portions of Your will done. We inquire of You and ask You to show us any alliances we have made with people that are outside of Your will. And for any future alliances, we ask You to show us clearly what You are calling us to do. Amen.*

### PERSEVERING

*Father, we choose to have a one time for all declaration that we belong to You. The voice of the man / woman of God within us says, 'we choose You.' We ask You to intervene in our lives in those moments when our wounded souls or habitual behaviors choose to veer from Your will. We choose to strengthen ourselves in You so that we might persevere and overcome until the end. We want to see Your will done. We set our face towards this choice in Jesus' name. Amen.*
