BUILDING BLOCKS - MITOCHONDRIA

Pappa, we have sinned and fallen short of Your glory. We have made countless choices of selfishness throughout our lives. All of these have contributed to the power of decay in our lives. We are ready to move past this ceiling on our lifespans that is a direct result of these choices. We ask You to shine Your Light and reveal every specific sin that we need to address.

Father, we repent. We realize the truth, change our minds, and return to You. We receive the Blood of Jesus that the cells of our body might be restored to Your original design. We forgive our forefathers, all those we have been in covenant with, and all those who trespassed against us. We wash us all with the Blood of Jesus.

We forgive the single cell organisms that have invaded our bodies. We forgive them of the fruit of their collective, soul expressions of selfishness in thought, emotion, and freewill choices. We forgive them of controlling the death of our cells, and holding our bodies hostage for self preservation. We wash them with the Blood of Jesus, and all of creation is now purified, redeemed, and restored back to You. We hurl down the accuser and our bodies are free to begin the restoration process to beings free from death. Beings capable of reigning for 1000 years.

BUILDING BLOCKS - CARBON 12 (666) POISONING

Pappa, we repent, and forgive every human and every creature whose choices of selfishness have emitted the Carbon-12 that has become the basis of life on earth. We want our basis of life to be founded in You and You alone. Love and only Love. Pappa we realize the truth and disconnect ourselves from the lie that we were created by stars. We were created by You! We are Your children, betrothed by covenant to our King, Jesus. We wash us all with the Blood of the Lamb that all of creation is now purified, redeemed, and restored back to You. We hurl down the accuser with the Blood of the Lamb and the word of our testimony. All of creation is now liberated from the bondage to this decay. Let us be resurrected into the covenant that we have chosen so the people of God belong to God and are thriving in life, and the children of selfishness can decay unto the death they have chosen. Let it be a sign to the world that You are the best, and selfishness is has a horrific ending. Amen.
